

W.L.L
TRIOS CARE
CARE FOR LIFE

ABOUT US

TriosCare W.L.L is a brand with a vision for the future and its core focus is to cater to the healthcare & Industrial Lab care sector of Qatar with outmost dedication and competence.

We at Trioscare believe a good business is built upon a foundation of teamwork, strong network and ethical business value. We strive to put our client's requirement first and our team is willing to do everything to provide the best service to our client's needs.

Our team has a combined 40 years experience in the medical and industrial lab sector which enables us to take up any challenge and deliver with positivity due to the experience our team has.

Mission:

**To Serve the Medical and Scientific industry to its best
With Efficacy, Dedication and Commitment”**

Core Values

We strive to exceed the expectation's of the people we work with and the clients we serve, from taking ownership of responsibilities outside of our job description, to remain committed to a project from start to finish. We go above and beyond to make a positive impact to our clients and stake holders requirement.

Credo

"To provide best solutions which will enhance the business of our customers. Provide state of the art technologies in the field of healthcare & industrial lab care that will benefit both the customer and their environment."

Chairman's Message

Our business strives on the happiness of our employees and appreciation from our customers. In today era companies have become the corner stone of society providing lively hood , satisfaction be it job related or service related and good service to masses. So it is a worthwhile attempt for us to build a happy business. We are dedicated to undertake our social responsibility, building a green and sustainable business, leading as an example of a happy business, and ultimately achieving the shared vision of GROWTH.

Managing Director Message

Our team works towards a common motto 'dedication, determination, perfection. These three words are the pillars of our business and what we stand for when we provide our product/service to our valued customer , serving our stake holders and while we grow together.
